

Orkesta™ Composite

FDS9980

Orkesta™ Composite FDS9980 is a TPU composite film that provides various pattern and color choices. The melting point of the TPU film can be adjusted according to the required working conditions. Orkesta™ Composite can be processed thermally by heat-press or high frequency welding. It can be used on sports shoes, hand bags and decorations on outdoor jackets.

Features:

- TPU composite film
- Different patterns available
- Customized colors available

Applications:

- Sports shoes
- Hand bags
- Decorations for jackets

Melting Point	Tensile Strength	Tear Strength	300% Modulus	Elongation
(°C)	(kg/cm ²) D412	(kg/cm) D624(Die C)	(kg/cm ²) D412	(%) D412
