

Provecta™ Aromatic

FT1029X4-NN

FT1029X4-NN is an ether-based technical film that is anti-bacteria and anti-fungal. It has great hydrolysis resistance and durability and can be used on various applications for outdoor and water sporting goods.

Features:

- Ether base
- Anti-bacteria and anti-fungal
- Good tear strength
- Great hydrolysis resistance
- Great flexibility at low temperature

Applications:

- Water sporting goods such as life jacket
- Outdoor sporting goods
- Medical devices
