

# Dintex<sup>®</sup> Breathable

## FT1177-PE

Dintex<sup>®</sup> Breathable technical films deliver excellent waterproof protection and are available in different levels of breathability, from high to medium to low, to suit different products and applications.

### Features:

- Stable breathability
- Great waterproofness
- Anti-static
- Hydrolysis resistance

| Specific Gravity | M.V.T.               | M.V.T.              | W.P.R.             | PE Carrier | Melting Point |
|------------------|----------------------|---------------------|--------------------|------------|---------------|
| <i>D792</i>      | <i>ASTM E96-93BW</i> | <i>JIS L 1099A1</i> | <i>JIS L 1092B</i> |            | (°C)          |
| 1.24             | 8,000                | 2,500               | 8,000              | Yes        | 150           |
