

# Provecta™ Aromatic

## FS2895

FS2895 is an ester-based aromatic technical film designed to deliver excellent durability and physical properties across a range of applications such as sports shoes, a bladder and shoe pads.

### Features:

- Ester-based technical film
- Great physical properties
- Great abrasion resistance
- High temperature resistance
- Good tear strength

### Applications:

- Outdoor sporting goods
- Sports shoes, a bladder and shoe pads.
